C) What CTEP can do more for Cambodian agriculture ?

CTEP is willing to facilitate the sharing of Taiwan's Agricultural Technology and Knowledge to improve quality and productivity of Cambodia's agriculture, livestock and fisheries.

Sources of Taiwan's Agricultural Technology and Knowledge

1. Government Organization - [Council of Agriculture](#) (COA)
 - [Fisheries Research Institute](#) (FRI)
 - [Livestock Research Institute](#) (LRI)
 - [Agricultural Research and Extension Station](#) (ARES)
2. Private Agricultural Enterprises
 - [Known-You Seed Co., Ltd.](#) (Vegetable Seeds)
 - [Suncue Company Ltd.](#) (Grain Dryer)
 - More

D) What the Cambodia Government is expected to do ?

1. No prejudiced or unfair treatment against Taiwanese for political reasons. If need, CTEP can represent Taiwan Government agencies to execute some official documents.
2. In addition to various tax exempt that already exist, lease land to qualified investors for free or at very low rate for an extended period of time.
